Submitted to His Highness.

3

In sanctioning the reorganization of the Agricultural Department, it has been decided to designate Mr. H.V. Krishnayya as Chemist for the Geological Department. As this may lead to the impression that his work is to be entirely confined to the Geological Department, I propose to designate him, Chemist, Agricultural and Geological Departments. The Second Member of Council approves of the alteration in the designation and the proposal may be graciously approved.

M. Krishnayya
12th Mar 1914.
